

Descendants of John Waite and Mary Stockwell

1. John¹ Waite, born 1771. He married Mary Stockwell, born 1775. There are two likely possibilities for the ancestry of John Waite. One might argue that he was the son of John Waite of Mason, NH. Could John of Mason, NH and Daniel who m. Abigail Reed be brothers? Were they the children of John & Hannah (Graves) and descendants of ROW? OR...given the appearance of the name Alpheus, could John have been the s/o John and Martha (Wolcott) of ROW b. 1764? That John had a brother Alpheus.

UPDATE! DNA testing has proven the relationship of this John Waite to Richard of Watertown...now we just need to find the exact connection.

Children of John Waite and Mary Stockwell were as follows:

- 2 i Amasa² Waite.
- 3 ii Luther² Waite, born¹ 15 Dec 1792.
- 4 iii Daniel² Waite, born² 22 Dec 1794. Is this the Daniel Waite who had children at Braintree Orange VT 1828-1839?
