

Modified Register for John Waites

First Generation

1. John Waites was born^{1,2} in 1743 in Newberry Co., SC. He died^{3,4} in 1809 in Putnam Co., GA.

It appears to some researchers from the dates that this might be the John & Mary (Smith/Frary) Waite from TOP. However, their son William settled and died in New York. See TOP records. I'm not sure if AW's dates came from some knowledge of TOP or not. SM believed the men to have been the same. I find it hard to believe.
